SCHEDULE E. CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether husband, wife, both of them or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotal" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Repeat this total also on the Summary of Schedules.

STATEMENT OF INFORMATION REQUIRED BY 11 U.S.C. §341

INTRODUCTION

Pursuant to the Bankruptcy Reform Act of 1994, the Office of the United States Trustee, United States Department of Justice, has prepared this information sheet to help you understand some of the possible consequences of filing a bankruptcy petition under chapter 7 of the Bankruptcy Code. This information is intended to make you aware of...

- (1) the potential consequences of seeking a discharge in bankruptcy, including the effects on credit history;
- (2) the effect of receiving a discharge of debts
- (3) the effect of reaffirming a debt; and
- (4) your ability to file a petition under a different chapter of the Bankruptcy Code.

There are many other provisions of the Bankruptcy Code that may affect your situation. This information sheet contains only general principles of law and is not a substitute for legal advice. If you have questions or need further information as to how the bankruptcy laws apply to your specific case, you should consult with your lawyer.

WHAT IS A DISCHARGE?

The filing of a chapter 7 petition is designed to result in a discharge of most of the debts you listed on your bankruptcy schedules. A discharge is a court order that says you do not have to repay your debts, but there are a number of exceptions. Debts which may not be discharged in your chapter 7 case include, for example, most taxes, child support, alimony, and student loans; court-ordered fines and restitution; debts obtained through fraud or deception; and personal injury debts caused by driving while intoxicated or taking drugs. Your discharge may be denied entirely if you, for example, destroy or conceal property; destroy, conceal or falsify records; or make a false oath. Creditors cannot ask you to pay any debts which have been discharged. You can only receive a chapter 7 discharge once every six (6) years.

WHAT ARE THE POTENTIAL EFFECTS OF A DISCHARGE?

The fact that you filed bankruptcy can appear on your credit report for as long as 10 years. Thus, filing a bankruptcy petition may affect your ability to obtain credit in the future. Also, you may not be excused from repaying any debts that were not listed on your bankruptcy schedules or that you incurred after you filed for bankruptcy.

WHAT ARE THE EFFECTS OF REAFFIRMING A DEBT?

After you file your petition, a creditor may ask you to reaffirm a certain debt or you may seek to do so on your own. Reaffirming a debt means that you sign and file with the court a legally enforceable document, which states that you promise to repay all or a portion of the debt that may otherwise have been discharged in your bankruptcy case. Reaffirmation agreements must generally be filed with the court within 60 days after the first meeting of the creditors.

Reaffirmation agreements are strictly voluntary — they are not required by the Bankruptcy Code or other state or federal law. You can voluntarily repay any debt instead of signing a reaffirmation agreement, but there may be valid reasons for wanting to reaffirm a particular debt.

Reaffirmation agreements must not impose an undue burden on you or your dependents and must be in your best interest. If you decide to sign a reaffirmation agreement, you may cancel it at any time before the court issues your discharge order or within sixty (60) days after the reaffirmation agreement was filed with the court, whichever is later. If you reaffirm a debt and fail to make the payments required in the reaffirmation agreement, the creditor can take action against you to recover any property that was given as security for the loan and you may remain personally liable for any remaining debt.

OTHER BANKRUPTCY OPTIONS

You have a choice in deciding what chapter of the Bankruptcy Code will best suit your needs. Even if you have already filed for relief under chapter 7, you may be eligible to convert your case to a different chapter.

Chapter 7 is the liquidation chapter of the Bankruptcy Code. Under chapter 7, a trustee is appointed to collect and sell, if economically feasible, all property you own that is not exempt from these actions.

Chapter 11 is the reorganization chapter most commonly used by businesses, but it is also available to individuals. Creditors vote on whether to accept or reject a plan, which also must be approved by the court. While the debtor normally remains in control of the assets, the court can order the appointment of a trustee to take possession and control of the business.

Chapter 12 offers bankruptcy relief to those who qualify as family farmers. Family farmers must propose a plan to repay their creditors over a three-to-five year period and it must be approved by the court. Plan payments are made through a chapter 12 trustee, who also monitors the debtor's farming operations during the pendency of the plan.

Finally, chapter 13 generally permits individuals to keep their property by repaying creditors out of their future income. Each chapter 13 debtor writes a plan which must be approved by the bankruptcy court. The debtor must pay the chapter 13 trustee the amounts set forth in their plan. Debtors receive a discharge after they complete their chapter 13 repayment plan. Chapter 13 is only available to individuals with regular income whose debts do not exceed \$1,000,000 (\$250,000 in unsecured debts and \$750,000 in secured debts).

AGAIN, PLEASE SPEAK TO YOUR LAWYER IF YOU NEED FURTHER INFORMATION OR EXPLANATION, INCLUDING HOW THE BANKRUPTCY LAWS RELATE TO YOUR SPECIFIC CASE.
